---

We are busy redecorating My Garden and doing some fun new displays for you. Next week we will start to get in some great things like berries, roses and lots of double primroses. We will also have seeds and lots of seed starting products and of course the gang is always here with lots of advice on how to get your plants off to the best start.

Don't forget to visit us in January and use your Frequent Flower Points. Call 425-402-1842 to check how many you have or just come on in! The points expire at the end of the month so don't miss out.
